

We were pleased to include your organization in the recent grants awarded by Manatee Memorial Foundation to benefit the residents of Manatee County. Thanks to the efforts of our many volunteers we're delighted to continue being in a position to assist your organization.

As you know, our funds are generated through our Gift Shoppe on the River located in the lobby of the hospital and our Thrift Shop located at 4517 Manatee Avenue West as well as various other projects of our auxiliary. We appreciate your organizations continued support of our gift shop through your purchases as well as your support of our thrift shop with your purchases and donations of quality items for sale.

Attached you will find the pictures taken at our luncheon for your use in promotional endeavors.

Sincerely,
Carolyn Keller, Chairman
Manatee Memorial Foundation, Inc.
